

# SERVICE-INFO

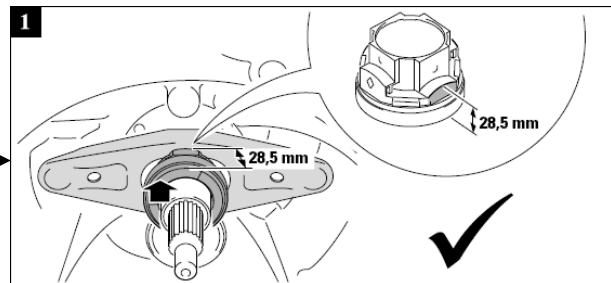

## BMW Release bearing and fork

On the RepSets listed below the release bearing can be fitted into the release fork in two positions. Enclosed with each of the RepSets is a non verbal fitting instruction illustrating the correct position of the bearing in the fork. If the bearing is fitted incorrectly the clutch will not operate correctly.

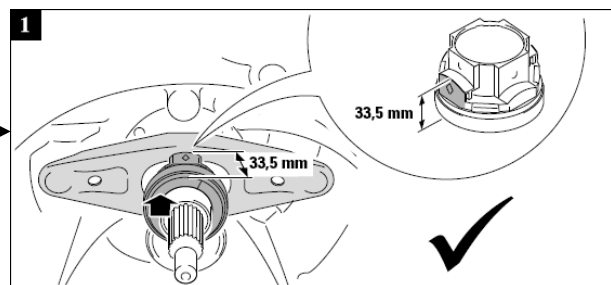

Model: 1 Series E81, E87  
3 Series E90, E91, E92, E93  
5 Series E60, E61  
X3
