Nissan Pick-Up – Outer Track Rod End Identification

Applicable References: ADN18715, ADN187104

Applications: Nissan Pick-up D21, D22 1986>1997

Date Issued: 01/2008

Please be aware that part numbers **ADN18715** & **ADN187104** shown below, although similar in appearance, are **NOT** interchangeable and should NEVER be substituted for each other.

Fitting the incorrect track rod end is extremely dangerous and could result in steering failure caused by the component fracturing.
