

SERVICE-INFO

Application information

LuK receive a large number of catalogue enquiries where we need specific vehicle information to identify the correct clutch. This bulletin is to clarify the information required that is often missing from the VRM database on some of the more common applications enquiries.

Alfa Romeo	Motor number and Version number
Fiat	Motor number and Version number
Ford	BHP and Gearbox type
Honda	Engine code and Model code
Hyundai	Engine code and Model code
Iveco	Model and Engine code
Kia	Engine code, Model code
Land Rover	Engine code, Chassis number
LDV	Model series, Chassis number and Engine code
MG	Chassis number and Engine code
Mini	Engine code
Mitsubishi	Engine code and Model code
Nissan	Engine code and Model code
Porsche	Engine code
Saab	Engine code
Subaru	Engine code and Model code
Suzuki	Engine code and Model code
Toyota	Engine code and Model code
Vauxhall (Opel)	Engine Code and Transmission Type (if possible)
Volvo	Engine Code, Engine Number, Chassis Number
VW	Engine Code, Engine Number, Chassis Number

In conjunction with the VRM database, the information listed above will identify the correct parts required.
