

## Abbreviations

Engines/vehicles	
Fuels	
Benzin	Fuel: petrol
Diesel	Fuel: diesel
Gas	Fuel: natural gas
Types of engine	
B	Opposed-piston engine
Kompressor	Compressor
R	Inline engine
Motor	Single-cylinder
V	V-type engine
VR	VR-type engine
W	W-type engine
Preparation of fuel mixture	
Vergaser	Carburettor
Cooling	
luftgekühlt	Air-cooled
wassergekühlt	Water-cooled
Supercharging	
LLK	Charge air cooling
Turbo	Turbocharging
Catalytic converters	
Katalysator	Catalytic converter
Engine features	
... Ventile/Zylinder	... valves/cylinder
Pleuellänge ... mm	Conrod length in mm
Remarks	
3-Loch	3-hole adjustment
4-Loch	4-hole adjustment

Bearings	
Single-part descriptions	
AL	Thrust washer
BB	Piston pin bushing
FL	Thrust bearing
HL	Main bearing
KB	Valve rocker bushing
LB	Bushing e.g. for intermediate shaft
NB	Camshaft bushing
PL	Conrod bearing
Set descriptions	
AS	Thrust washer set
BS	Piston pin bushing set
HS	Main bearing set
KS	Valve rocker bushing set
LS	Bushing set
NS	Camshaft bushing set
PS	Conrod bearing set
Machining status	
Semi	Pre-machined, see Page structure for explanation

## Notes

The original spare part numbers of vehicle and engine manufacturers are given for internal comparison purposes only. They do not denote the origin of the parts and must not be used in connection with the vehicle owner.

The compilation and printing of this catalogue takes several weeks. The latest additions may therefore not be included. It is also possible that the product may have had to be changed during series production. In cases of uncertainty, do not hesitate to contact us or our distributor.

The information in this catalogue has been carefully prepared, but remains nonbinding. Changes to the engine and type designations on the part of the manufacturer, as well as to the products, are also subject to this proviso.

Upon publication of this catalogue, all previous versions cease to be valid. Copyright reserved. Reproductions or extracts require our written permission. Misuse will be prosecuted.
