SAVE TIME & MONEY

TIME-SAVING
- ALL YOU
NEED IN
ONE BOX

EASY
& QUICK
PRODUCT
INSTALLATION

Nissens **FIRST FIT** ...all you need in **ONE BOX**

Time is money - both for you and your customers. With Nissens' value-adding First Fit concept, you will experience a time-saving product installation.

Nissens First Fit is a beneficial offer for wholesalers, mechanics as well as end-users as reduced time equals reduced costs. Look for the First Fit indicator in Nissens' catalogues and webshop.

FIRST FIT - all parts needed for a proper and time-saving installation included in the box.
