

828044 / 832258 Friction plate position during fitment

Part Number: 828044 SS by 832258

For Vehicle: Toyota Dyna, Hilux, Hiace 2001>

The Valeo Technical Support Department are receiving a number of calls and claims regarding the fitment of the friction plate in clutch kit 828044/832258.

Please be aware when fitting the friction plate in 828044/832258, the side with the extended hub stating "DTX-172" (Fig 1) fits into the clutch cover towards the gearbox. The image in Fig 2 fits into the recess of the flywheel.

Fig 1. Fits towards the gearbox
