

## General

The information below applies to starter batteries.

### WARNING!

- Batteries contain diluted sulphuric acid.
- Wear protective gloves and goggles.
- If acid gets into your eyes or onto your skin or clothes, rinse them immediately with water.
- Always see a doctor if you get acid in your eyes.

### Environment

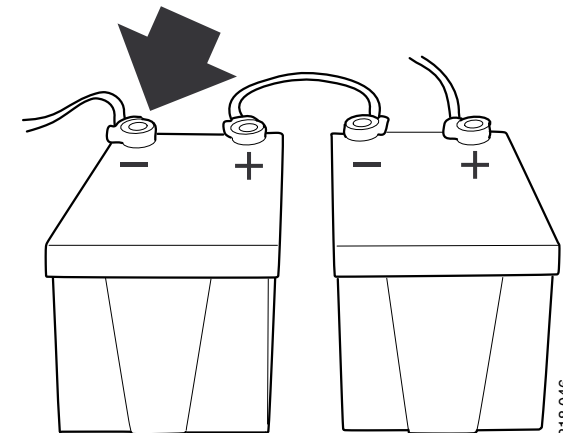

Handle and store batteries in compliance with local regulations. Within the EU there are manufacturer responsibility regulations for batteries. This means that all Scania workshops are obliged to dispose of batteries responsibly and ensure that they are recycled correctly.

The vehicle batteries contain lead. Lead is harmful to humans and the environment. The batteries must therefore be handled in accordance with national regulations on environmentally hazardous substances.

### IMPORTANT!

Be aware of the risks of short-circuiting when working near the battery terminals. Use a lifting board for removing and replacing the batteries.

## Included in vehicle upon delivery

Part No.	Battery type	Description	Manufacturer	Weight
1 748 922	Lead	Starter battery, 140 Ah	Varta	39.1 kg
1 748 923	Lead	Starter battery, 140 Ah	Exide	39.2 kg
1 943 964	Lead	Starter battery, 140 Ah	Varta	37.5 kg <sup>a</sup>
1 943 967	Lead	Starter battery, 140 Ah	Enertech	44.6 kg <sup>a</sup>
1 929 389	Lead	Starter battery, 140 Ah	Exide	39 kg <sup>a</sup>
1 748 914	Lead	Starter battery, 180 Ah	Varta	49.6 kg
1 748 915	Lead	Starter battery, 180 Ah	Exide	49.6 kg
1 943 968	Lead	Starter battery, 180 Ah, maintenance-free	Enertech	47 kg <sup>a</sup>
1 929 390	Lead	Starter battery, 180 Ah	Exide	50 kg <sup>a</sup>
1 748 930	Lead	Starter battery, 225 Ah	Varta	62.5 kg
1 943 966	Lead	Starter battery, 225 Ah	Varta	59 kg <sup>a</sup>
1 929 391	Lead	Starter battery, 225 Ah	Exide	63 kg
1 789 342	Lead	Starter battery, 225 Ah	Varta	59 kg

Part No.	Battery type	Description	Manufacturer	Weight
1 781 711	Lithium-ion	Instrument cluster (ICL1 and ICL2), DTCO BR2032 Panasonic	Stoneridge	2.5 g
1 903 245	Lithium-ion	Tachograph (TCO) Battery: HS53.1600.053 Varta cell type: CR1/2AASLF	Siemens	11.5 g
2 148 720	Lithium-ion	Remote control (CR2430)	Visteon/Stoneridge	3.5 g
1 514 427	Nickel Metal Hydride (NiMH)	Siren in alarm system	Cobra	240.5 g
1 947 813	Lithium-ion	Tyre pressure sensor (CR2450)	Wabco
